

COBRA the cutting extinguisher

CCS - COLD CUT SYSTEM AB

The COBRA Pipe Cutter

The Cobra Pipe Cutter is an integrated attachment to the Cobra Cutting Extinguisher system. The Pipe Cutter connects directly to the Cobra power system and is a hydraulically driven cutting head with a nozzle running along two bike chains. The system is easy and quickly mounted on any kind of pipe, and is easy operated from a remote place from the cutting area.

This system will give you a high cutting speed with an accurate and clean cut along the pipe.
